Instructions

Course Attendance

The Mark Attestation is completed in duplicate by the University Professor before the student's departure from Corfu and is returned to the student, so as to be delivered at the Secretary of the Ionian University Department he/she studies, in order to be signed and sealed by the Secretary employee who is in charge(*).

Both the student and the Secretary keep a copy.

Course Attendance and examination

If the student wishes to be examined in the course he/she has attended, he/she must deliver the present document to the University Professor before the beginning of the examination.

The Mark Attestation will be completed by the University Professor after the end of the examination period and must be then given as soon as possible to the Secretary, in order to be signed and sealed by the Secretary employee who is in charge(*) because, according to the Erasmus Program, **the student must receive his/her Transcript of Records at least 5 weeks after the end of the Erasmus period.**

The Secretary of the Department will then send the Transcript of Records to the Erasmus student's University.

(*)Attention! This document is valid only when it has the Secretary's signature and the Department's stamp of the Ionian University.
