1. Curriculum Vitae

1.1 Education

- 2006 **PhD in Information Systems.** Athens University of Economics and Business, Department of Management Science and Technology. Thesis title: “A Design Theory for Pervasive Information Systems”
- 2000 **MSc in Decision Sciences – Specialization in eBusiness.** Athens University of Economics and Business, Department of Management Science and Technology. Graduated with highest honors (8.92/10)
- 1999 **BSc in Informatics.** Athens University of Economics and Business, Department of Informatics

1.2 Academic Positions

- 2010 - Now **Assistant Professor.** Department of Informatics, Ionian University
Courses: Electronic Commerce, Electronic Government, Introduction to Information Systems, Strategy and Management of Information Systems, Applications of Information Systems, Decision Support Systems (Note: this list includes all courses that I teach in both graduate and undergraduate level)
- 2007 - 2010 **Adjunct Lecturer.** Department of Management Science and Technology, Athens University of Economics and Business
Courses: Introduction to Telecommunications and Information Systems (undergraduate level)
- 2006 - 2010 **Visiting Lecturer.** MSC in Finance and Management for Engineers, Department of Financial and Management Engineering, University of the Aegean
Courses: Management of Information Systems (graduate level)

Also note that my teaching experience includes also the following position:

2003 – 2009. Athens Graduate School of Management College. Visiting Lecturer. Courses: Management of Information Systems, Information Systems Strategy, Electronic Commerce

1.3 Research Collaborations

- 2010 - Now **Information Systems and Databases Research Group, Ionian University**
Position: Project Leader/ Research Coordinator
- 2002 - 2010 **Wireless Research Center (WRC), Athens University of Economics and Business**
Position: Senior Project Manager
- 1996 - 2002 **ELTRUN Research Center, Athens University of Economics and Business**
Position: Senior Researcher/ Project Manager

For a selected list of projects that I have participated please refer to section 2.

1.4 Professional/ Consulting Experience (Selected Set)

- 2008 - 2009 **Planning S.A.**
Position: Project Consultant
- 2008 - Now
Jan 07 – Jun 07 Member of the Organizing Committee of the annual Student Competition eInnovation
Cyberce S.A.
Specification of a strategic plan for the support of people with disabilities through ICT that enables access to eGovernment services and promotes eParticipation. Funded by the Ministry of Health and Social Solidarity.

Dec 05 – Mar 06	Ministry of Health and Social Solidarity Study on the design properties of medicine electronic libraries.
Mar 04 – Sep 04	E-Business Forum Rapporteur of Working Group Z2 - Streamlining supply chain operations through automatic identification technologies (RF-ID)
Jan 04 – Sep 04	Ministry of Competitiveness Specification of RFQ/RFP for the Price Observatory project

1.5 Supervision of PhD/ MSc Theses

2010 - 2011	MSc in Informatics, Department of Informatics, Ionian University “Adoption of internal government systems” by Alexandra Kontostanou
2010 – 2011	MSc in Informatics, Department of Informatics, Ionian University “An evaluation model for electronic shops” by Stella Spinoula
2010 – 2011	MSc in Informatics, Department of Informatics, Ionian University “Exploring the adoption of government portals” by Vassiliki Varda
2009 – Now	Department of Management Science and Technology, Athens University of Economics and Business PhD Thesis: “The role of aesthetics and emotions to the adoption of pervasive information systems” by Evi Zamani (co-supervision with George Giaglis)
2006 – 2009	Department of Management Science and Technology, Athens University of Economics and Business PhD Thesis: “An Acceptance Framework for Pervasive Information Systems” by Dimitrios Karaiskos (co-supervision with George Giaglis)
2008	MSc in Informatics, Athens University of Economics and Business “Personalized pervasive services in public spaces” by Manoussos Markoulakis
2008	MSc in Finance and Management for Engineers, University of the Aegean “Adoption of G2G services” by George Xylas
2008	MSc in Finance and Management for Engineers, University of the Aegean “A research model for the adoption of mobile portals” by George Georgalas
2008	MSc in Finance and Management for Engineers, University of the Aegean “The influence of Corporate Social Responsibility policies to purchasing behavior” by Antigoni Maistrali
2008	MSc in Finance and Management for Engineers, University of the Aegean “Evaluating the adoption and use of pervasive museum services” by Evi Zamani
2007	MSc in Informatics, Athens University of Economics and Business “Development of a pervasive guide system” by George Beskos
2006	MSc in Informatics, Athens University of Economics and Business. “Development and evaluation of RFID ticketing services” by Dimitrios Karaiskos

3. Research Experience

Over the lifespan of my research work I have participated in 22 research projects as principal researcher or project manager. The following list presents an overview of these projects.

Title	Duration	Funding Body
Mediterranean Wireless Innovation (WiNOVATE)	1 May 09 until 31 Oct 11	European Regional Development Fund (MED Programme)
Development of a methodology supporting the selection and diffusion of mobile and wireless technologies for public authorities. <i>Role: Project Manager</i>		
Impact of taxation on the adoption and pricing of mobile services	1 Aug 10 until 30 Nov 10	Greek Mobile Network Operators Association
Study on the effects of taxation on mobile services adoption and use through the development of alternative scenarios. <i>Role: Lead Researcher</i>		
SMART	1 Mar 08 until 30 Jun 09	European Commission – IST Programme (FP7 Programme)
Development of a pervasive retail environment supporting dynamic pricing and promotion management in supermarkets. <i>Role: Lead Researcher</i>		
Museum Ubiquitous Guide	1 Dec 08 until 30 Apr 09	Information Society (eServices Programme)
Implementation of a Ubiquitous Guide for the Museum of Cycladic Arts that exploits wireless technologies (RFID and WiFi) to provide location/exhibit based tour to the museum's visitors. <i>Role: Project Manager</i>		
Study on the Impact of Mobile Telephony in Greece	10 Jun 08 until 10 Nov 08	Greek Mobile Network Operators Association
Study on the social and economic contribution of the mobile telephony sector in Greece. Study on the effects of the industry on consumers and businesses, industry competition analysis and scenarios for the future. The study was based on published data and empirical research (survey and case studies). <i>Role: Lead Researcher</i>		
Secure Mobile Payment Service (SEMOPS)	1 Jun 07 until 30 Mar 08	European Commission (eTen Programme)
Development and evaluation of a mobile payment platform. <i>Role: Lead Researcher</i>		
ICT for People with Disabilities	1 Jan 07 until 30 Jun 07	Ministry of Health and Social Solidarity
Specification of a strategic plan for the support of people with disabilities through ICT that enables access to eGovernment services and promotes eParticipation. <i>Role: Lead Researcher</i>		
Tracer Factory	1 Jun 06 until 31 Dec 07	Greek Mobile Network Operators Association
Implementation of an innovative information system (Tracer Factory) that supports traceability in the food sector. <i>Role: Project Manager</i>		
Request Management Platform for RFPs/RFQs	22 Nov 06 until 30 Apr 07	General Secretariat of Research and Technology (EPAN Programme)
Study and research on contemporary eBusiness technologies to support the business processes of electronic data interchange between buyers and sellers in the context of competitive tendering (Requests for Proposals / Requests for Quotations). <i>Role: Project Manager</i>		

Title	Duration	Funding Body
e-Transport	1 Mar 06 until 30 Nov 07	General Secretariat of Research and Technology (EPAN Programme)
Development of a system that combines electronic tickets, customer loyalty and physical access control services for transportation. <i>Role: Project Manager</i>		
MED-LIBRARIES	1 Sep 05 until 31 Mar 06	Ministry of Health and Social Solidarity
Study on the design properties of medicine electronic libraries. <i>Role: Lead Researcher</i>		
E-GOV Portals	1 Mar 06 until 30 Sep 06	Information Society
Study on the design properties of Greek eGovernment portals. <i>Role: Lead Researcher</i>		
MOBINET	1 Feb 04 until 30 Nov 04	General Secretariat of Research and Technology
Education and training of graduate and post-graduate students as well as business executives on mobile and wireless business. <i>Role: Lead Researcher</i>		
Athletic Coverage En Stadium	1 Jun 03 until 31 Mar 05	General Secretariat of Research and Technology
Development of a information services in stadiums employing pervasive computing technologies. <i>Role: Project Manager</i>		
eProcurement	1 Apr 03 until 31 Jul 04	General Secretariat of Research and Technology (PAVET-NE Programme)
Implementation of a software platform that streamlines the procurement process for SMEs. <i>Role: Lead Researcher</i>		
MB-net: A network of excellence in Mobile business applications and services	1 Jul 02 until 30 Jun 03	European Commission (IST Programme)
A network of excellence that specified a roadmap pertaining the research challenges of mobile and wireless business on a pan-european basis. <i>Role: Lead Researcher</i>		
INNACT	1 Feb 03 until 30 Jun 03	Prefecture of Western Greece.
Research on the principles for the development of eCommerce web sites and electronic marketplaces for the Region of Western Greece. <i>Role: Lead Researcher</i>		
MyGrocer	1 Jan 01 until 31 Mar 03	European Commission (IST Programme)
Design and development of a pervasive information system exploiting the potential of wireless and automatic identification (RFID) technologies to enhance consumers' shopping experience. <i>Role: Lead Researcher</i>		
ESTIA	1 Oct 00 until 30 Sep 02	European Commission (IST Programme)
Design and development of a mobile platform supporting tourists on-the-move by engaging upon forward and reverse auctions for tourism products. <i>Role: Project Manager</i>		
iMedia	1 Jan 00 until 30 Jun 00	European Commission (IST Programme)
Design and development of an information system providing personalized advertisements in interactive television environments. <i>Role: Researcher</i>		
KISMET	1 Jan 98 until 30 Sep 98	European Commission (ESPRIT Programme)
Awareness of best business practices in european SMEs through advanced eBusiness infrastructures.		

Title	Duration	Funding Body
<i>Role: Researcher</i>		
SILKAT	1 Jan 97 until 31 Dec 98	General Secretariat of Research and Technology
A Collaboration and Information Portal for the Athens Chamber of Commerce and Industry (ACCI). <i>Role: Researcher</i>		

4. Research Achievements

4.1 Scientific Recognition

My research work has received over 480 total citations according to a search performed with Publish or Perish (PoP on August 2011. The average number of citations per paper and per year was estimated by PoP to **44 citations per year** and an **average of 9.85 citations per paper**. It should be highlighted that paper 2.1.6 (please refer to section 2 of this document for a full reference on the paper) has received 84 citations, while paper 2.3.9 has received 89 citations.

4.2 Participation in Programme Committees/ Executive Boards of Academic Groups

Executive board member of the AIS Special Interest Group on Mobile and Ubiquitous Services (SIGMUBIS)

Programme Committee Member in Academic Conferences:

- Mediterranean Conference on Information Systems - since 2010
- International Conference on Mobile Business - since 2008
- International Workshop on Ubiquitous Computing (2006)
- IEEE International Workshop on Smart Homes (2006)
- ACM Symposium on Applied Computing (2004)
- International Workshop on Ubiquitous Commerce, under the auspices of UbiComp2003 (2003)

4.3 Editorials in International Journals

- International Journal of Electronic Commerce, special issue on Mobile Business, 2011-2012, to appear.
- International Journal of Mobile Communications, special issue on best papers of ICMB/GMR2010, to appear.

4.4 Organization of Research Tracks/ Workshops

- Organization of a Research Track on “Graphics, Visualization, and Media” In the 6th Mediterranean Conference on Information Systems (September 2011, Cyprus)
- Member of the Organizing Committee of the 9th International Conference of Mobile Business/ 9th Global Mobility Roundtable (June 2010, Athens, Greece)
- Organization of a Research Track on “Ubiquitous Computing Applications” in the ACM Symposium on Applied Computing (14-17 March 2004, Nicosia, Cyprus)
- Organization of a workshop on “Ubiquitous Commerce” in UbiComp2003 (12-15 October 2003, Seattle, WA)

4.5 Academic Conferences and Journals Refereeing (Selected List)

- International Conference on Mobile Business
- European Conference on Information Systems
- Bled Conference Series on Electronic Commerce
- Mediterranean Conference on Information Systems
- International Journal of Mobile Communications (IJMC)
- International Journal of Electronic Commerce (IJEC)
- European Journal of Information Systems (EJIS)
- Electronic Markets
- Journal of Network and Computer Applications

4.6 Awards/ Distinctions/ Scholarships

- Finalist to the 2004 Michael Dertouzos Competition under the auspices of the XIV World Congress on Information Technology for the research “A pervasive retail system to enhance consumers’ shopping experience”
- 1st award to the 4th student competition of ECR Europe for the research “Pervasive retail as a means of enhancing consumers’ shopping experience”
- PhD scholarship by the Athens University of Economics and Business (2001-2006) – Department of Management Science and Technology
- Highest Degree on the Graduate Program in Decision Sciences for the academic period 1999 – 2000. (8.92/10)
- Best Master Thesis in the eBusiness specialization of the Graduate Program in Decision Sciences for the academic period 1999 – 2000. The project was entitled “A business plan for a mobile intermediary for the travel and tourism sector”
