

CURRICULUM VITAE

Name: Sotiria Milla

Nationality: Greek

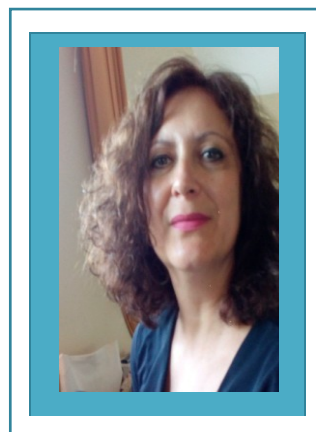

Date of Birth: 13-02-1971

Marital Status: Married

Contact Address: Pessada, 28100, Kefalonia, Greece

Mobile phone: 6979011132 **Tel:** 2671 0 22132

Email address: smilla@ionio.gr

Education

2010-2012. Master of Science (MSc) in Plant Protection and Environment - Agricultural University of Athens.

2010-2011. Scholarship of State Scholarships Foundation (IKY) for Postgraduate Studies in Greece in the field of Crop Production.

1989-1994. Undergraduate diploma - Degree: Technological Educational Institute (TEI) of Crete- School of Agriculture, Food & Nutrition, Department of Greenhouse Crops and Floristry.

1/3/1993 - 31/8/1993. Practical Training and thesis in Italy at ENEA Research Center of Rome (Ente per le Nuove Tecnologie, l'Energia e l'Ambiente), under the COMMET Programme.

Bachelor Study: ENEA of Rome, on "Evaluation of potato varieties in terms of fluoridation and satellite durability"

Skills

Foreign Languages

English: First Certificate in English of the University of Cambridge.

Italian: moderate.

Membership

Member of the Hellenic Entomological Society.

Publications

1. Apostolos Avgelis, **Sotiria Milla**, 1998. "Reliability of the DAS - ELISA test in the detection of the Y virus of potatoes in native species". Geotechnical Scientific Issues, Volume 9 - Issue 3, pp. 101-107.

2. N. Katis, J. A. Tsitsipis, A. Avgelis, J. Gargaliana, A. Papanayotou and **S. Milla**, 1998. "Aphid populations and potato virus Y potyvirus (PVY) spread in potato fields". Aphids in natural and managed ecosystems. Yniversidad de Leon, Spain, I.S.B.N. 84-7719-628-1, p.585-593.

3. Olga S. Arvaniti, Ageliki Tsolou, Eleni Sakantani, **Sotiria Milla**, Eftyhia Kallinikou, Filio Petsini, Maria Choleva, Maria Detopoulou, Elizabeth Fragopoulou, Yiannis Samaras, 2022. "Quality characteristics,

polyphenol profile and antioxidant capacity in red, rosé and white monovarietal wines from ionian islands of Greece" *Acta Sci. Pol. Technol. Aliment.* 21(4), 343–357.

4. Athanasios Sclavounos, Petros Roussos, **Sotiria Milla**, Panagiotis Kostas, Yiannis Samaras, Carlo Pozzi, Johiruddin Molla, Annapurna Chitkineni, Rajeev K. Varshney & Andreas Voloudakis, 2023. Genetic diversity of fig (*Ficus carica* L.) germplasm from the Mediterranean basin as revealed by SSR markers. Genetic Resources and Crop Evolution **volume 70**, pages1395–1406.

International Scientific Conferences

1. Maria C. Holeva, Athanasios P. Sclavounos, Sotiria P. Milla, Panayota E. Kyriakopoulou, and Andreas E. Voloudakis. 2007. "External application of dsRNA of the capsid protein (CP) or 2b gene of CMV reduces the severity of CMV-infection in tobacco." XIII International Congress on Molecular Plant – Microbe Interactions, July 21-27 Sorrento, Italy.

2. E. Fragopoulou, O. Arvaniti, G. Danalatos, M. Detopoulou, E. Kallinikou, **S. Milla**, F. Petsini, E. Sakantani, A. Tsolou, Y. Samaras, 2018. Study for the existence of PAF inhibitors in wines from Ionian Islands. Bioactive Lipids Conference, National and Kapodistrian University of Athens, Athens, Greece.

Participation in 11 National Scientific Conferences.

Seminars

1. "Integrated Management of Pests and Diseases of Vine", ETIC (European Training in Integrated Crop Protection) of Plant Protection Institute of Volos 16-21 / 10/1995.

2. "Insect and rodent control and decontamination in urban areas" of Agricultural University of Athens, 17-19 / 12/2010.

3. " New entomological enemies in our country " of the Hellenic Entomological Society (HES).

Research experience

1. **1.3.2000-31.10.2001**. Laboratory of Plant Virology and Laboratory of Tissue Culture - Plant Protection Institute of Volos - National Agricultural Research Foundation (NAGREF) of Greece for research programs.

2. **20.7.1999-29.2.2000**. Central Office of the National Agricultural Research Foundation of Athens.

3. **1.12.1998-19.7.1999**. Laboratory of Plant Virology - Plant Protection Institute of Heraklion, Crete, - NAGREF for the research program INTERREG II.

4. **1.3.1995-30.11.1998**. Laboratory of Plant Virology - Plant Protection Institute of Heraklion, Crete, - NAGREF for the research program EPET II 453.

Teaching experience

13/09/2016 until today. Special Laboratory Teaching Staff in the field of "Plant Protection and Environment". Department of Food Technology, TEI of Ionian Islands & Department of Food Science and Technology of Ionian University.

Subjects:

- Food Processing I & II
- Special Arboriculture and Viticulture
- Technology and quality control of olive oil and fats
- Food Analysis

27/05/2003-12/09/2016. Special Laboratory Technical Staff, Department of Organic Agriculture, TEI of Ionian Islands in the field of Plant Protection (Plant pathology - Entomology - In vitro culture).

Subjects:

- Food Processing I
- Post-Harvest Diseases and Stored Food Insects

2001-2005. Lab assistant in Biological Agriculture Department of TEI of Epirus, Greece.

Subjects:

- Plant pathology
- Zoology and Entomology
- Systematic Botany
- Biological Plant Protection
