APPLICATION PROCEDURE	
Who to apply to (including contact details)	Filling in a form you can choose or may be on the model of the Comenis Assistantship. Sending a CV of the Assistant to the school and the contact person
Deadline for applications (if any)	30th June 2014
Application process	Once received the application form we will send the acceptance letter to whom you will indicate us. Once here (in Spetmebr or may now if you think it is necessary) the Assistant and our legal representative will sign a contract (on the model of the old Comenius one) with the description of the tasks and the rights of the Assistant and the school (accomodation, tasks, timetable, holidays, and so on). Monitoring process and final report form the tutor and from the Assistant
TRAINEESHIP INFORMATION	
Subject area (languages; education; mathematics...)	Firstly we would like to help to study foreign languages (English if it would be better as it is taught in every class of our school) but we would like to activate CLIL method activities helped by the assistant with other teachers like fundamental and vocational subjects: science, building and environmental field, tourism , electronics, geography, history, art. It won't be difficult to prepare lessons with the help of the tutor and teachers time by time.

Location	Alghero centre (two near schools)
Start Date	20 th September / first week of October
Duration	8/9 Months (end of May – June)
Working hours per week	12/14 hours per week
Description of activities,tasks	<p>The assistant, according to the subjects taught in the different courses, has to be prepared to adapt his/her competencies helped by a schedule and a timetable, together with a programme, to help to improve our students' confidence in communicating and working in the her/his language. He/she can help classes to become more interactive and fun by discussing contemporary aspects of youth culture in his/her country such as current affairs, education, sport, fashion, films, TV, lifestyles and celebrations. He/she will do this by planning activities preparing a programme with the his/her tutor at school using games and photos, travel guides and maps as well as texts from newspapers or the Internet. At the same time, he/she will improve his/her language skills, in Italian, too (following Italian lessons at school or at Sassari University), learn how to become a better communicator living a different didactic context and a new cultural experience working in a different European country.</p> <p>Finally he/she will help our student to develop knowledge of a different society and culture. He/she will support the work of the Languages Department in the school under the supervision of the modern languages teachers. The Assistant may be involved in International projects organization and activities.</p>
COMPETENCES REQUIRED	
Languages and level of competence required	High level of language, native level speaking and university-level studies
Computer skills and level of skills required	Use of base Windows – Power Point – Social networks – Skype
