

[Barcode Printers][Automatic I.D.]
[Maintenance & Repairs][Labels & Ribbons]
[Thermal Printheads][RFID Based Asset Tracking]

International IT Internship (UK)

(Minimum 12 weeks)

MM Barcoding Ltd. is an expanding company located in St. Helens, between Liverpool and Manchester. We are specialized in barcode labeling equipment and its services.

We offer:

- Some of the best known and most well established internships in Europe
- The opportunity to work in a dynamic team with people from all over the world
- The possibility to take real responsibility and to gain real professional experience
- The opportunity to significantly improve your English by living and working in a British business environment

Your tasks will be:

- Network Administration
- Mail & web server maintenance
- Data storage backup
- Troubleshooting of hardware and software (solving users' problems)
- Training, induction and employees' support
- Service management system installation
- Voice over IP
- Software selection & Support
- Development of IT strategy

You should:

- Have good English skills
- Be serious, ambitious and self-motivated
- Be flexible and able to manage several tasks at the same time
- Be able to work in a team and have good communication skills
- Have a good IT-background
