## HISTORY EDUCATION AND MEETING THE CHALLENGES OF IMMIGRATION, REGIONALISM AND SECTARIANISM

Corfu patriotic statue

Corfu Town is the capital of the Greek Ionian Islands. It stands at the crossroads of multiple historical influences reflected in a unique Corfiot culture. For well over a thousand years Corfiots have experienced conquest, colonialism, conflict and discord largely rooted in ethnicity, imperialism, populism, regionalism, nationalism and sectarianism. HEIRNET 2018 will examine the discourse on these and related themes and their impact on History Education's theory, scholarship, research, policy and practice.
