Interested men must have fulfilled their military service or may have been legally relieved throughout the duration of the contract.

It is noted that this call does not imply for the Research Committee of the IU and therefore for the Ionian University, absolutely no commitment to conclude a project lease with those who will submit their proposals. Any counterparty choice has the nature of accepting a proposal. The process will be completed with a ranking list, and those selected will be notified individually. **The results will be posted on the website of the Research Committee.** <http://rc.ionio.gr/news>, where the text of the notice has been posted.

Throughout the execution of the project and in case of resignation or early termination of the contract with the selected one, the next candidate in line may be selected, according to the ranking list.

In any case, the Research Committee reserves the right to not approve any proposals for the invitation, incurring any liability.

Proposals:

Interested candidates should submit the **special cover sheet of interest**¹ to the Research Committee of the Ionian University, accompanied by a curriculum vitae as well as any evidence that certifies the abovementioned qualifications (in the case of copies, they do not have to be validated, provided that a consent form stating that the supporting documents provided are exact photocopies is attached and, if requested, the prototypes can be shown).

¹ You can find the cover sheet on the <http://rc.ionio.gr>

The above information must be presented in person or by post, in a sealed envelope bearing the reference:
